Take this seat beside me
An afternoon for writing
The lighting like they do on movie screens
And when I yell action you say,

"He has got me sweating"
And you start undressing
I don't really know which way to look
My eyes they find the window
I try to focus out the scene, it's useless

I'll pretend
This ain't happening
But in my head
Oh it's happening
In the end we'll both go wherever
Oh, I'll pretend
This was memorable
But I'll forget
My mind isn't able
In the end we both go wherever

So later I drink coffee
Wondering what you thought of me
I'll try to get a picture
But I can't remember what you looked like
I try to focus out this scene, it's useless

I'll pretend
This ain't happening
But in my head
Oh it's happening
In the end we'll both go wherever
Oh, I'll pretend
This was memorable
But I'll forget
My mind isn't able
In the end we both went wherever

Is she real or a vision, it's not clear
Oh I try to focus on the scene, it's useless

But I'll pretend
This ain't happening
But in my head
Oh it's happening
In the end we'll both go wherever
Oh, I'll pretend
This was memorable
But I'll forget
My mind isn't able
In the end we both went wherever

And I'll pretend
This ain't happening
But in my head
Oh it's happening
In the end we both go wherever
