I can't believe what is in front of me  
The water's rising up to my knees  
And i can't figure out  
How the hell i wound up here  
Everything seemed okay when i started out the other  
day  
Then the rain came pouring down  
And now im drowning in my fears  
And as i watch the setting sun  
I wonder if im the only one

*[Chorus]*

Cause everybody tries to put some love on the line  
And everybody feels a broken heart sometimes  
And even when i'm scared i have to try to fly  
Sometimes i fall  
But ive seen it done before  
I got to step outside these walls

I've got no master plan to help me out  
Or make me stand up for  
All the things i really want  
You had me to afraid to ask  
And as i look ahead of me

Cry and pray for sanity

*[chorus]*

These walls can't be my haven  
These walls can't keep me safe here  
Now i guess i got to let them down

Cause everybody tries to put some love on the line  
And everybody feels a broken heart sometimes, yeah  
Even when i'm scared i have to try to fly  
Sometimes i fall  
But i've seen it done before

I got to break out...  
I got to break out...  
I got to step outside these walls

Love outside these walls  
I feel my heart breaking  
But its a brand new day  
Im going down  
Im stepping out  
Im stepping outside  
These walls  
(I've seen it done before.. i'm walking on, i'll walk it off,  
oh i'm moving on)
