You wake up
With the radio on
And I've got you babe
Is the same old song
So you walk outside
To greet the world
But it all
Goes up flames
And then you try
To break the girl
It's the same mistake
Over and over again

Say goodbye
To one more day
And another chance
For you to change
Spinnin' circles
'Round the sun
But tomorrow never comes
Tomorrow never comes

Back in the same day
Once again
No consequences in a life
Without an end
So you take the money
And watch it burn
As it all
Goes up in flames
Until you realize
What you got to learn
You'll make
The same mistake
Over and over again

Say goodbye
To one more day
And another chance
For you to change
Spinnin' circles'
Round the sun

But tomorrow never comes
Tomorrow never comes

Say goodbye
To one more day
And another chance
For you to change
Until you see
What you become
Keep spinnin' circles
'Round the sun
Until you finally
Love someone
Tomorrow never comes
Tomorrow never comes
Tomorrow never comes
Tomorrow never comes
