There are days when those gray skies
Make you blue
Each forward step you take
You fall back by two

You've been hit by some hard knocks
You just can't stand
Feeling like Alice felt
In Wonderland
Let me be the one to lend a hand

CHORUS:

Call my name and I'll be there
There's nothing like the laughter that we share
Whenever you need someone
Or a shoulder to lean on
Call my name and I'll be there

And when life's going your way
Just like a breeze
It's a kite-flying kind of day
Above the trees

Together we'll be making memories

REPEAT CHORUS

As this world turns us around
We hang on to what we've found
A treasure we both need
I will go that extra mile
To give you back that certain smile
That you've given me
I'll answer every time and anywhere

REPEAT CHORUS

Call my name and I'll be there
Call my name and I'll be there
Call my name
Call my name

I'll be there
