En mi suea±o (In My Dream - Heart Moving)

En mi suea±o, nos encontraibamos taº y yo,

las estrellas mil, protegaan mi amor.

Los mejores amigos siempre somos taº y yo,

Nunca nada nos separarai ni preocuparai.

Hay momentos llenos de magia,

Magia en el coraza³n de los dos,

Sa³lo taº me interesas,

¿,¿No puedo ver a nadie maís!

Algo cambia, cuando el amor llega hasta aqua,

y mi suea±o, al fin, se hace realidad.

De la mano, caminaremos taº y yo

Las estrellas mil, protegaan mi amor.

In my dreams, you and me met,

Thousand of stars protected my love.

You and me are always best friends,

Nothing will separate or worry us ever.

There are moments full of magic,

Magic in the heart of us both,

I'm just concerned about you,

I can't see anyone more!

Something changes, when loves reaches here,

And my dream, at last, becomes true.

By hand, we both will walk,

Thousand of stars protected my love
