Gomen ne sunao ja nakute
Yumeno naka nara ieru,
Shikou kairowa shotto sunzen,
Ima sugu aitai yo
Nakitaku naru you-na moonlight,
Denwa mo dekinai midnight,
Datte junjou dou shiyou
Haato wa mangekyou
Tsuki no hikari ni michibikare
Nandomo meguri-au,
Seiza no matataki kazoe uranau koi no yukue,
Onaji kuni ni umareta no Mirakuru-romansu.
Mo ichido futari de weekend
Kami-sama kanaete happy-end
Genzai kako-mirai mo,
Anata ni kubittake.
Deatta tokino natsukashii,
Manazashi wasurenai,
Ikusenman no hoshi kara anata o mitsukerareru,
Guuzen mo chansu ni kaeru ikikata ga suki yo.
Fushigi-na kiseki kurosu-shite

Nandomo meguri-au

Seiza no matataki kazoe uranau koi no yukue

Onaji kuni ni umareta no Mirakuru-romansu,

Shinjite-iru no mirakuru-romansu.

"I'm sorry, but I cannot tell

I can only tell you within a dream

Before my nerves become shortened

I wish to meet with you right now

It seems to be crying, the moonlight

Since I cannot telephone past midnight

I do not know what to do with the love of you

My heart is a kaleidoscope

The moon's light will guide me

So that I can once again meet you

Choreography of the stars can predict

All of the love which has come and gone

Together on the same earth, a miracle romance

With you, another weekend

God, please grant me a happy end

In the past, present and future

I will be devoting all my thoughts to you

If disaster comes to us when we meet

I will never forget us

Millions of the stars are looking at us

Seeing us attempt to live together in love

Unintentionally, miraculously, we cross again

So I meet with you again

Choreography of the stars can predict

All of the love which has come and gone

Together on the same earth, a miracle romance

Something I do believe in - a miracle romance
