Leyenda de Luz Lunar (Moonlight Densetsu)

Perdona si no puedo ser sincera,

Si en mis sueÃ±os te lo confieso.

Mil pensamientos giran en mi mente,

Â¡Corto circuito me causarÃ¡n!

Ahora mismo quisiera verte,

AsÃ­ llorar esta luz de luna.

La luz de luna no me deja hablarte,

Â¡Quiero saber quÃ© debo hacer!

Â¡Un caleidoscopio es mi corazÃ³n!

Â¡Luz de Luna guÃ­a mi amor!

En el jazzmÃ¡n de la constelaciÃ³n,

En tanto a uno y me pregunto,

Sobre el destino de mi amor

Y mi romance, creo en tÃ©,

SÃ© que el milagro se darÃ¡,

Â¡Ese Milagro del amor!

Forgive me if I'm not sincere,

If in my dreams I confess it.

Thousand thoughts spin in my mind,

They'll cause me a short circuit!

Right now I want to see you,
So cries this moonlight.
The moonlight doesn't let me talk you,
I want to now what I must do!
My heart is kaleidoscope!
Moonlight guides my love!
In the constellation's jasmine,
While by one, I wonder,
About the destiny of my love
and romance, I believe in you,
I know the miracle will come,
That Miracle of Love
