Sugar: Alright  
Test-test-test  
Hello?  
I'm ready to go here!  
\*Clears throat\* May I have your attention please?

Crowd: What?

Sugar: May I have your attention please?

Crowd: Yeah!

Sugar: Will the real Sugar baby please speak up?  
We're gonna have a problem here!

You'all act like you've never heard a little white girl  
before  
Jaws all on the floor  
Acting like you can buy me in a sugar store  
\*Cha-ching\*  
Crusing the halls  
You must be looking for more  
Cos I'm bigger than that  
And I wont be stuck on the floor  
Haha-haha-haha

Guy: What you laughing at?

Sugar: You'all talking like, oh wait, no way! You're  
kidding!  
She didn't just sound like I think she did did she?

Guy: Yeah yeah yeah!

Sugar: Hey-Hey-Hey where's sugar?

Guy: Where you at?

Sugar: I'm right here! Sleeping in Moca's pocket!  
Te-he  
Sugar-sugar-sugar-sugar sugar-baby, sugar-baby!

CHORUS I'm sugar baby, the REAL sugar baby  
So all you other sugar babys are just imatating  
So wont the real sugar baby please jump up,  
please jump up, please jump up!  
Cos sugar baby, the REAL sugar baby  
So all you other sugar babys are just imatating  
So wont the real sugar baby please jump up,  
please jump up, please jump up!  
Woah!

Sugar: Look at her, walking around with her own crew,  
Mad Dog and Billy and Moca too!  
She's so damn short though!  
WHAT? Yeah!

Guy#2: That's my girl though!

Sugar: And there's a million of us just like me,  
Fuss like me, just don't give a f...  
OH! I would never say that!

Guy: Sugar!

Sugar: Dress like me, walk like me, have hair like me  
And might just be the next best thing, but not quite me!

CHORUS I'm sugar baby, the REAL sugar baby  
So all you other sugar babys are just imatating  
So wont the real sugar baby please jump up,  
please jump up, please jump up!  
Cos sugar baby, the REAL sugar baby  
So all you other sugar babys are just imatating  
So wont the real sugar baby please jump up,  
please jump up, please jump up!  
Woah!

Oh and could the rest of you please lie down  
'cos I can't see anything  
Sugar-sugar-sugar-sugar sugar-baby, sugar-baby!
