A crash of thunder,
A brilliant flash of light,
A battle has begun,
And only one will win the fight.

Danger in the air,
Destroying everything in sight,
The time has come to right the wrong,
The prism power might.

She's got the power.
Oh... She's got the power.
She's got the power.
Yeah... She's got the power.

A desperate struggle,
The strongest takes it all,
The battle rages on,
Until the weakest finally falls.

A vision fills her heart,
And gives her strength that's pure and true.
And when it seems that all is lost,
She knows what she must do.

She's got the power.
Oh... She's got the power.
She's got the power.
Yeah... She's got the power.
She's got the power.
Oh... She's got the power.
She's got the power.
Yeah... She's got the power.

Power, power, power,
She's got the power.
Yeah... Yeah...
Power, power, power,
She's got the power.

Yeah... She's got the power.

Oh... She's got the power.
She's got the power.
Yeah... She's got the power.

She's got the power.
Oh... She's got the power.
She's got the power.
Oh... She's got the power.
She's got the power.
Oh... She's got the power.
She's got the power.
Yeah ... She's got the power.
