I need a place where i can go, where i can whisper what
i know

where i can whisper who i like and where i go to see
them,

i need a place where i can hide where no one sees my
life inside

where i can make my plans and write them down so i
can read them

a place where i can bead my heart be still and it will
mind me

a place where i can go and i am lost and there i'll find
me

i need a place to spend the day where no one say's to
go or stay

where i can take my pen and draw, the girl i mean to be

a place where i can bead my heart be still and it will
mind me

a place where i can go and i am lost and there i'll find...
me

i need a place to spend the day where no one say's to
go or stay

where i can take my pen and draw, the girl.. i mean.. to
be...
