"The Power Of Love"

There comes a time
when you face the toughest of fights
searching for a sign
lost in the darkest of nights
the wind blows so cold
(you're) standing alone
before the battle's begun
but deep in your soul
the future unfolds
as bright as the rays of the sun
You've got to believe
in the power of love CHORUS
you've got to believe
in the power of love
Blazing emotions
there's a light, that flows from your heart
it's a chain reaction
and nothing will keep us apart
Stand by my side
there's nothing to hide
together, we'll fight to the end

take hold of my hand

and you'll understand

what it truly means to be friends

CHORUS

it gives meaning to each moment

it's what our hearts are all made of

You've got to believe, in the power of love
