COLD COLD WORLD

(Song by Teddy Pendergrass: Life is a Song worth Singing)

(Lyrics by J. Whitehead, G. McFadden, V. Carstarphen)

From one friend to another,

It seems that something being bothering you?

If you got a minute maybe there something I can say or do.

See, I realize life has it changes

Lot of changes, some times it seems

things just don't go right,

But here's one thing I want you to think

About as you lie on your bed tonight.

When the whole world seems against you

And your whole life seems unborn

And all you ever wanted was a little peace

I can understand just how you feel

But a little bit of peace of mind

Nowadays is so hard to find

You can't even find it in your sleep

Here some advise I think you should keep

WHEN LAYING THERE

Don't let this cold world get you down

(Be Strong Hold On)

DONT LET THIS COLD WORLD GET YOU

down, down down

(don't let it get you down naw)

Cold, cold world, get you down

Cold, cold world, get you down

Listen

Dry your eyes, don't cry no more

What IN THE WORLD do you think THAT a friend is for?

SEE there's always something that we can do...me & you.

So When things don't always go your way

You've got to prepare yourself each and every day

FOR THE THINGS that life

will put you through.

I'M TELLIN YOU.
WILL YOU LISTEN TO ME.
(Repeat Sing-along)
DONT LET.....
(WHEN TIMES ARE HARD & FRIENDS ARE FEW)
DONT LET...
COLD COLD WORLD
COLD COLD WORLD
(Bridge)

I wonder whatever happened to
The happy song that I once know
You can't let nothing bother you ever bother you
Bother', bother' ever worry you
(Repeat Sing-along)

Hold on be strong
I know to some folks Life comes easy
and others LIFE COMES hard
Some folks to keep on trying while others just get TIRED
HOLD ON
I need to share
the things I'V LEARNED
I DONT WANT TO SEE NOBODY ELSE GET BURNED
