I'll hold you, and touch you
And make you my woman
I'll give you my love
With sweet surrender
Tonight our hearts will beat as one
And I will hold you and touch you
And make you my woman tonight
There's something in your eyes I see
A pure and simple honesty

Chorus:
Hold me in your arms tonight
Fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure

Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way together

I believe you
When you say that you love me
Know that
I won't take you for granted
Tonight the magic has begun
So won't you hold me, touch me
Make me your woman tonight

There's something in your eyes I see
I won't betray your trust in me

Chorus:
Hold me in your arms tonight
To fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure

Hold me in your arms tonight
We'll make it last forever
When the morning sun appears

We'll find our way together

I'll hold you
And touch you
And make you my woman
(Make me your woman)
Tonight (tonight)

Hold me in your arms tonight
To fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure

Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way together

Hold me in your arms tonight
To fill my life with pleasure
Let's not waste this precious time
This moment's ours to treasure

Hold me in your arms tonight
We'll make it last forever
When the morning sun appears
We'll find our way together
