You know, I'm no beginner  
My hearts been to the wall  
I'm a tried and true romantic  
Who's seen and done it all

And when you walked into my life  
Suddenly I knew  
All the love I had inside  
Was leading me to you

In my time  
I've lived and loved so much  
Through each high and low  
I let my heart be touched

In my time  
There isn't much I've missed  
I've seen love come and go, but heaven knows  
I've never loved like this in my time

After all that I've been through  
I'm in love with you

I've won some and I've lost some  
But us dreamers don't complain  
We keep reaching out for passion  
No matter what the pain

When I looked into your eyes  
It all fell into place  
I found, what I was searching for  
Shining in your face

In my time  
I've lived and loved so much  
Through each high and low  
I let my heart be touched

In my time  
There isn't much I've missed  
I've seen love come and go, but heaven knows  
I've never loved like this in my time

After all that I've been through  
I'm in love with you

In my time  
I've lived and loved so much  
Through each high and low  
I let my heart be touched

In my time  
There isn't much I've missed  
I've seen love come and go, but heaven knows  
I've never loved like this in my time

After all that I've been through  
I'm in love with you
