The whole town's laughing at me

Yeah, I had your love right here  
In the palm of my hands  
And I lost it and I lost it  
Had a love so new, one a man feel  
And I lost it and I lost it

Maybe if I had spent more time with you  
Maybe then, maybe then you'd still be mine  
Oh and only if I had been just a little more kind to you  
There'd be no need, for this man to be cryin'

The whole town's laughing at me  
Silly fool, how'd you lose such a good friend?

Had my dream so near  
I could reach out and touch it  
And I lost it and I lost it  
Had a world complete  
It was, oh, so sweet  
And I lost it and I lost it

Maybe if I had spent just a little more time with you  
Maybe then, maybe then you still be mine  
Oh and only if I had been just a little more kind to you  
There'd be no need, for this man to be cryin'

The whole town's laughing at me  
Silly fool, how'd you lose such a good friend? Oh

Maybe if I had spent more time with you  
Maybe then, maybe then you still be mine  
Maybe I think about it  
And only if I had been just a little more kind to you  
There'd be no need, for this man to be cryin'

The whole town's laughing at me  
Silly fool, how'd you lose such a good friend?  
The whole town's laughing at me  
Silly fool, how'd you lose such a good friend?  
The whole town's laughing at me

Silly fool, how'd you lose such a good friend?
