Fall on me

So you're down there  
Confused you can't bear  
When things aren't easy  
Hiding is not the answer

Anxiety  
Then faithless you'll be  
Hope  
Just fall on me

There's no other answer  
I'll catch you  
Just fall on me

Hear me now  
Hear my voice  
Speaking the words of love  
Betrayed and died  
How lucky you are  
Just open your eyes and see

Anxiety  
Then faithless you'll be  
Hope  
Just fall on me

There's nobody out there  
I'll catch you  
No other answer  
I'll catch you  
Just fall on me

I'm tired  
Free me  
Pick me up from this mess I made  
Hear me  
Reach me by the hand  
And lift me

There's nobody out there  
I'll catch you  
No other answer  
I'll catch you

Just

Fall on me
