There they stand hand in hand
They've exchanged wedding bands
Today is the day
They've sealed all their plans
And all we who love them
Just wanted to say
Oh, God, bless this couple who married today

In good times and hard times
In sickness or in health
May they know that riches
Aren't needed for well
Help them face problems
They'll meet on their way
Oh, God, bless this couple who married today

May they find peace of mind
Comes to all that are blind
May the sad times ahead
Become trials behind
And may their children be happy as they
Oh, God, bless this family that started today

In good times and hard times
In sickness or in health
May they know that riches
Aren't needed for well
Help them face problems
They'll meet on their way
Oh, God, bless this couple who married today

As they go, may they know
A real love that will show
And as life gets shorter
May their feelings grow
Wherever they travel
Wherever they stay
Oh, God, bless this couple who married today

In good times and hard times
In sickness or in health

May they know that riches
Aren't needed for well
Help them face problems
They'll meet on their way
Oh, God, bless this couple who married today
Oh, God, bless this couple who married today
God bless them all
