Yo, yo, somebody felt my ass?
Yo, who felt my ass?
Alright, that's the way y'all wanna play
I got'cha, yo, Mo, uh, huh, T R
Yo, Mo, the verse, ah

I feel you checkin' me
I'm all up in your steeze
My favorite jam is on
Don't make me wait too long

So what'cha gonna do
I'll back it up for you
If you can do me right
You can take me home tonight

This is just a taste
I'll give you on the dance floor
Let me feel you rock
Maybe you'll get some more

And to my surprise I feel your rise
Your score is high
Meet me at the bar
We're gonna handle ours, come on

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny

Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn

You know I'm with my crew
But I'll go home with you
You see it's been so long
I wanna see you take it off

Listen close to me
This how it's gonna be
We're gonna dance some more
Then we're sneakin' out the door

As we're dancin', see you sweatin'
Damn, it turns me on
Um, I can't wait
Till I'm comin' out this thong

When you take me home, don't waste no time
Don't need no bed, don't need no lines
Just make me moan
'Cause I gets my freak on and on

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny

Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny

Take me home with you
Do all the things you do
We'll go on and do
Till the break of dawn

I'll meet you at your car
I'll follow you home
Rescue me
Fulfill my fantasy

I'm in my navi
Your five hundred is fast
Take me home, take me home
Once inside, I'll be your ride, come on

Can you handle it?
Just for tonight
Can't you see in my eyes
It's on

Rescue me

Take me out this club
I'll be your fantasy
Be my destiny

Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn

Rescue me
Take me out this club
I'll be your fantasy
Be my destiny

Take me home with you
Do all the things you do
We'll go on and on
Till the break of dawn, dawn
