In the Middle of the Earth, in the land of Shire

lives a brave little Hobbit whom we all admire.

With his long wooden pipe, and fuzzy wooly toes,

he lives in a Hobbit Hole and everybody knows him:

Bilbo - Bilbo Baggins - He's only 3 feet tall...

Bilbo - Bilbo Baggins - The bravest little hobbit of them all...

Now, Hobbits are peace-lovin' folks, you know,

they're never in a hurry and they take things slow.

They don't like to wander away from home,

they just like to eat and be left alone -

but one day Bilbo was asked to go

on a big adventure to the caves below

to help some dwarves get back their gold

that was stolen by a dragon in the days of o-old.

Bilbo - Bilbo Baggins - He's only 3 feet tall...

Bilbo - Bilbo Baggins - The bravest little hobbit of them all...

Well, he fought with the goblins!

He battled a troll!

He riddled with Gollum!

A magic Ring he stole!

He was chased by Wolves,
lost in the forest,
escaped in a barrel from the Elf King's ha-alls!

Bilbo - Bilbo Baggins - He's only 3 feet tall...

Bilbo - Bilbo Baggins - The bravest little hobbit of them
all

Now he's back in his home in the land of Shire -
that brave little Hobbit whom we all admire -
just sittin' on a treasure of silver and gold,
a-puffin' on his pipe in his Hobbit Ho-ole -

Bilbo - Bilbo Baggins - He's only 3 feet tall...

Bilbo - Bilbo Baggins - The bravest little hobbit of them
all!

Bilbo - Bilbo Baggins - The bravest little hobbit of them
all
