Come on everybody, gather round.
I'm gonna show you how to knock 'em down.
When I'm on the ball, I'm the number one.
And I'm gonna show you how it's done.

Let's bowl, let's bowl, let's rock-'n-roll.
Hey, come on, let's get this show on the road.
Let's bowl, let's bowl, let's rock-'n-roll.
We're sittin' on a bomb that's about to explode.

We're gonna score tonight, we're gonna score tonight.
If you're lookin' for a fight, then the time is right.
We're gonna wipe the floor with you tonight.

We're gonna score tonight, we're gonna score tonight.
We're gonna rock, we're gonna roll,
We're gonna bop, we're gonna bowl.
We're gonna score, score, score, score, score tonight!

Johnny: Screams... Hey Paulette, take a look over here,
I'm your kingpin, honey, and I'm gettin' in gear!
Paulette: Hey Johnny, Johnny, go bowl that strike,
And I just might be your baby tonight!

Let's bowl, let's bowl, let's rock-'n-roll.
Hey, come on, let's get this show on the road.
Let's bowl, let's bowl, let's rock-'n-roll.
'Cause the stakes are high, and the winner takes all!

We're gonna score tonight, we're gonna score tonight.
Don't get sore when you lose tonight,
We're gonna show you how to do it right.

We're gonna score tonight, we're gonna score tonight.
We're gonna rock, we're gonna roll,
We're gonna bop, we're gonna bowl.
Repeats...
