Stephanie:

No more midnight rides with you  
No more secret rendezvous.  
I'm gonna miss all the things we'll never do.  
I just can't believe you left me here alone,  
How in this world can I make it on my own?

Michael:

Remember, I love you, I won't be far away.  
Baby, close your eyes and think of yesterday,  
And we'll be there together.  
Love will turn back the hands of time.  
Whoa oh, turn back  
Whoa oh, turn back the hands of time.

Stephanie:

Whoa oh  
Baby, don't you know it's hard to let you go?

Michael:

Save all your dreams and keep me in your heart.

Stephanie:

It hurts to say goodbye, no matter how I try.

Michael:

Love will survive even though we have to part.

Michael (spoken):

Stephanie, please don't cry.

Stephanie (spoken):

Oh, it all seems so unfair. Just when I found you I lost you.

Michael (spoken):

That doesn't matter now.

The only thing that matters is the time we had together.

Stephanie (spoken):

But, I don't even know your name!

Michael (spoken):

The only thing you have to know is that I love you.

And you're the only one who can keep our love alive!

So Stephanie, don't forget me!

Stephanie (spoken):

I promise.

Michael:

Remember, I love you, you won't be far away.

Stephanie:

I just close my eyes and bring back yesterday.

And we'll be there together.

Love will turn back the hands of time.

Whoa oh, turn back

Whoa oh, turn back the hands of time.

We'll turn back,

Whoa oh, turn back

Whoa oh, turn back the hands of time.

We'll turn back,

Whoa oh, turn back

Whoa oh, turn back the hands of time.

We'll turn back!
