Sat in the corner you could pass for dead  
Get up on the floor shake your head

Everybody move it  
Everybody move it

If you'd rather be home you can leave right now  
This is a party no frowns allowed

Everybody move it  
Everybody move it

Bump and grind, have a good time  
Free yourself and lose your mind  
Now the party's pumpin and the groove is on  
Grab the nearest body and move along  
Go to the next if it don't feel right  
But have no fear, get down tonight

Everybody move it  
Everybody move it

Bump and grind, have a good time  
Free yourself and lose your mind

Everybody move it
