"In My Arms"

Visit "[In My Arms](#)" on MotoLyrics.com

Got an easy place to be
In my arms, in my arms
Got a simple space to feel free
In my arms, oh in my arms

Keep it on the recent
Keep it on the now
Give me an easy way out

It's a lonely world that I got
In my arms, ooh in my arms
Got a lotta room to get lost
In my arms, oh in my arms

Keep it on the recent
Keep it on the now
Give me an easy way to get out

Keep it on the recent
Keep it on the now
Give me an easy way out

Got an easy place to be
In my arms, oh in my arms
Not much to fear from me
In my arms, oh in my arms
In my arms
