All night, hey,
I am on my way
Plane rides, long drives
I am on on my way

Sent out on a mission
Unfamiliar ways
Have fun on the road, boys
But don't forget who pays

I found love in Kansas
Not the place for me
I may pass through your town
But I live in the city

All night, hey,
I am on my way
Plane rides, long drives,
I am on my way

Drive through this country
All looks the same
No one knows my face here
And nobody knows my name

People look at me sideways
Everywhere I go
Twenty-three for the journey
And one for the show

All night, hey,
I am on my way
Plane rides, long drives,
I am on my way (x2)
