It's time for us to part  
Yeah it's best for us to part  
Oh but I love you  
I love you  
Take care of yourself  
I'll miss you

The nights are long alone  
I sit alone and moan  
'Cause I love you  
I love you  
Take care of yourself  
I'll miss you

And no more tears to cry  
I'm out of goodbyes

It's time for us to part  
Although it breaks my heart  
'Cause I love you  
I love you  
Take care of yourself  
Take care of yourself  
Take care of yourself  
I love you
