Today pain became a real life hurting thing  
And the choir of loneliness sang me a song  
Now I know just what it means to lose a lifetime dream  
'Cause today I can feel it touching home

No longer do I wonder why men have lost their minds  
Or wind up in a jungle of flashing neon signs  
Now I know just how long a man can last when love is  
gone  
'Cause today I can feel it touching home

No longer do I wonder why men have lost their minds  
Or wind up in a jungle of flashing neon signs  
Now I know just how long a man can last when love is  
gone  
'Cause today I can feel it touching home  
Yes, today I can feel it touching home
