Up with love
I'm so happy
All my tears
Are behind me
All I know is
Never felt like this before

Sun it shines
Even if it's raining
'Cause I got you
So my heart's singing
Rhett and Scarlett
Never felt like this I bet

'Cause I was alone
No one to care for
No one to care for me
And you came along
Answered my prayers and
Swept me off my feet

Oh, up with love
I feel giddy
Life is sweet
Now that you're with me
Romeo and Juliet
Never such a perfect set

'Cause I was alone
No one to care for
No one to care for me
And you came along
Answered my prayers and
Swept me off my feet

Oh, up with love
I'm so happy
Now my tears
Are behind me
All I know is
Never felt like this before
I've never felt like this before

I've never felt like this before
