You see me drivin' down the street,
I look so fucking good
Smoking weed and dealing dirt
In my Tommy Hillfinger hoodie
We gonna keep talking bullshit about you

Cause I'm a hipphopper, yes I am (Yes I am, what Yes I
am, huuh)
Cause I'm a hipphopper, yes I am (Me and my crew,
what, now you wanna run huuh)

You see my wearing baggy jeans (Baggyjeans, huuh,
Baggyjeans, huuh)
And my fat 10s stay on my feet (on my feat, what,
yeah)
I never smile when someones around (hah)
I'm low key staying hardcore (Hardcore, Hardcore)
I never listening to anything else (what's that)

Cause I'm a hipphopper, yes I am (Yes I am, what Yes I
am, huuh)
Cause I'm a hipphopper, yes I am (Me and my crew,
what, now you wanna run huuh)

Uptate coming soon
