If you hate me after what I say,
can't put it off any longer,
I've just got to tell you anyway.

Bye bye baby, baby goodbye,
bye bye baby, don't make me cry.

You're the one girl in town I'd marry,
girl, I'd marry you now if I were free.
I wish it could be.
I could love you but why begin it,
'cause there ain't any future in it.
She's got me so I'm not free so why?

Bye bye baby, baby goodbye,
bye bye baby, don't make me cry.

Guess I never will know you better,
wish I knew you before I met her.
Gee, I wish you could be for me.
Should have told you that I can't linger,
there's a wedding band on my finger.
She's got me and I'm not free so why?

Bye bye baby, baby goodbye,
bye bye baby, don't make me cry.
