There ain't no good in our goodbye-in'
True love takes a lot of tryin' oh I'm cryin'

Let's hang on to what we've got
Don't let go girl we've got a lot
Got a lot of love between us
Hang on hang on hang on
To what we've got

You say you're gonna go and call it quits
Gonna chuck it all and break our love to bits
(breakin up) I wish you'd never said it
(breakin up) No no we'll both regret it

That little chip of diamond on your hand
Ain't a fortune baby but you know it stands
(for your love) A love to try and bind ya
We just can't leave behind us

Baby (don't you go) Baby (oh no no)
(think it over and) Stay

Let's hang on to what we've got
Don't let go girl we've got a lot
Got a lot of love between us
Hang on hang on hang on
To what we've got

There isn't anything I wouldn't do
I'd pay any price to get in good with you
(patch it up) Give me a second turning
(patch it up) Don't cool off while I'm burning

You've got me cryin dyin at your door
Don't shut me out let me in once more
(open up) Your arms I need to hold you
(open up) Your heart oh girl I told you

Baby (don't you go) Baby (oh no no)
(think it over and) Stay

Let's hang on to what we've got
Don't let go girl we've got a lot
Got a lot of love between us
Hang on hang on hang on
To what we've got
