You're crying now just like I used to cry before.(rain,
rain, rain)

Turn off the tears, girl; I don't care any more.

You can save all your lies, 'cause I've heard them all
before:

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.

I gave you love, girl, and got nothing in return.

How does it feel to feel what I had to learn?

Baby, don't say you're sorry, 'cause I'm just not
concerned:

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
Oh, forget it, love--
Tell it to the rain.

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.
