Loneliness is the coat you wear
A deep shade of blue is always there

The sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
Tears are always clouding your eyes
When you're without love
Baby

Emptiness is the place you're in
Nothing to lose, but no more to win

The sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
Tears are always clouding your eyes
When you're without love
Lonely
Without you
Baby
Oh, I need you
I can't go on

The sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
Tears are always clouding your eyes
The sun ain't gonna shine anymore
When you're without love

oooooooooooo
The sun ain't gonna shine anymore
The sun ain't gonna shine anymore
Not anymore
The sun ain't gonna shine anymore
Bring it back, baby
The sun ain't gonna shine anymore
Oh, baby
