He's walking,  
And I'm trying to see the opportunities,  
that he sees in me,  
Everywhere I go

Now he's talking,  
slurring his words as he sleeps on the couch on his own  
Let's himself go

There's a man,  
waiting inside  
We're looking, we know he can't hide  
Oh please, please understand  
Hey!  
Have you seen this man?  
Have you seen this man?

He's trying  
He's trying to wipe it in his heart  
He's got an easy fix  
and it does the trick  
He throws his time away

Now he's lying  
And telling a story he took from a man on the street  
Who I'd like to meet  
every single day

There's a man,  
waiting inside  
We're looking, we know he can't hide  
Oh please, please understand  
Hey!  
Have you seen this man?  
Have you seen this man?

It's tragic  
The way that he talks to me  
Oh, he's charming  
But only if you want something from me!

There's a man,  
waiting inside  
We're looking, we know he can't hide  
Oh please, please understand  
Hey!  
Have you seen this man?  
Have you seen this man?

There's a man,  
waiting inside  
We're looking, we know he can't hide  
Oh please, please understand  
Hey!  
Have you seen this man?  
Have you seen this man?
