Eating away. Like an addiction
The addict makes the decision
Makes the choice. The voice in head allows him follow
trough.

Tearing you down like an obsession. Learnt any
lessons.
Or is it something above you?
Above you.

I am right behind you.
I'm right
I'm right
I'm right
I'm right
When you see me i'll be right behind you.
Tonight.
Check any weakness

How do we all just get along
If nothing's said then nothing's wrong.
Making fools of one another. And fighting each other.
It's fun to joke till the joke's on you

I am right behind you.
I'm right
I'm right
I'm right
I'm right
When you see me I'll be right behind you.
Tonight.

I am right behind you.
I'm right
I'm right
I'm right
I'm right
When you see me I'll be right behind you.
Tonight.

I am right behind you.

I'm right
I'm right
I'm right
I'm right
When you see me I'll be right behind you.
Tonight.
