Asking all your friends and it's clear where they will go,
Looking back on day
And speaking out for more
'Cause lights goes down as people gets wiser
Just remember

In the nighttime
It's the right time
As the ceiling hits the floor
It's the season
I got no reasons
Are you feeling insecure?
Ooh, In the nighttime
Ha!

Thinking of the subjects that you never bring to light
Kept in, in the day
And brought out in the night
'Cause views are strong when you're believing
Inter-meaning

In the nighttime
It's the right time
As the ceiling hits the floor
It's the season
I got no reasons
Are you feeling insecure?
Ooh, In the nighttime
Ha!

In the nighttime
It's the right time
As the ceiling hits the floor
It's the season
I got no reasons
Are you feeling insecure?

In the nighttime
It's the right time
As the ceiling hits the floor
It's the season

I got no reasons
Are you feeling insecure?

In the nighttime
It's the right time
As the ceiling hits the floor
It's the season
I got no reasons
Are you feeling insecure?
Ooh, In the nighttime

In the nighttime
Ooh, in the nighttime
