Huh huh, yeah, come on!

No one kicks the football like the one
Zlatan, I say Zlatan
When you wake up, he's on the run
Zlatan, I say Zlatan
His own style has made him rich (come on)
Zlatan Ibrahimovic (huh)

He was raised in a poor part of town called Rosenfarm
(kick it)
(Ahumma, humma, humma)
It's a place where people fight to survive
(Ahumma, humma, humma)
Everyone saw that little
Boy was a special one
(Ahumma, humma, humma)
He looked in your eyes and gave you a smile
And fooled you all for a while
Yeah yeah, yeah yeah, yeah yeah

No one kicks the football like the one (come on)
Zlatan, I say Zlatan (come on)
When you wake up, he's on the run (huh)
Zlatan, I say Zlatan (yeah)
His own style has made him rich (yeah)
Zlatan Ibrahimovic

I wanna see you again and again
You my magic friend
(Ahumma, humma, humma)
I had a dream of playing together with you
(Ahumma, humma, humma)
Bad people say: all of your magic will fade away
(Ahumma, humma, humma)
Bullshit to me, a blind man could see
When you move on they are history (that's right)
Yeah yeah, yeah yeah, yeah yeah (huh huh)

No one kicks the football like the one (come on)
Zlatan, I say Zlatan (come on)

When you wake up, he's on the run (huh)
Zlatan, I say Zlatan (yeah)
His own style has made him rich
Zlatan Ibrahimovic (come on)

No one kicks the football like the one (no one)
Zlatan, I say Zlatan
When you wake up, he's on the run (yeah)
Zlatan, I say Zlatan
His own style has made him rich
Zlatan Ibrahimovic (yeah)

Who's da man, Zlatan, Zlatan
I say: Who's da man, Zlatan, Zlatan (come on)
Who's da man, Zlatan, Zlatan
I say: Who's da man, Zlataaaaaaan!

No one kicks the football like the one (huh)
Zlatan, I say Zlatan (come on)
When you wake up, he's on the run (yeah)
Zlatan, I say Zlatan (yeah)
His own style has made him rich (come on)
Zlatan Ibrahimovic (no one)

No one kicks the football like the one (no one)
Zlatan, I say Zlatan (no)
When you wake up, he's on the run (come on)
Zlatan, I say Zlatan (yeah)
His own style has made him rich (huh)
Zlatan Ibrahimovic

Yeah!
