Ooohh ohh oooh

[Verse 1]

Laid up listening to some slow jam joints  
Wanna call, but I don't  
I maintain and remain boss about it  
Phone rings but it ain't u it's my folks  
And they say yo what's up for tonight  
With the club and now I'm  
Now I'm all off in the party  
And I'm dancing and I'm drinking  
And I'm thinking how I  
Wish it were you

Cause you blow me out  
Now I'm all of in the party  
And the party ain't jumping  
Shoulda just called you up  
To let you know what's up

{Chorus}

Foreal  
I'd much rather stay  
I don't wanna run  
Want to get closer to you  
You you ooh

Spend my time alone  
Out here on my own  
Need to get closer to you

[Verse 2]

Laid up watching nick at night  
Wanna call  
But I don't  
See I'm straight  
I'll just wait another day  
Phone rings but it ain't u  
It's my homeboy  
And he says, yo what's up  
For tonight wanna take a ride

And now I'm all off in his car  
And we are riding music banging  
And I'm thinking how I  
Wish it were you

Cause u blow me out

Now I'm all up in his car and  
I'm smiling but I'm frontin'  
I wish I had the nerve to let u in my world

{Chorus}  
I'm for real  
I'd much rather stay  
I don't wanna run  
Want to get closer to you

Done my time alone  
Out here on my own  
Need to get closer to you

I want to  
Be near you  
Awww help me  
Don't you hear me calling  
I need to be near you  
Awww help me

Daddy don't you hear me  
Daddy don't you hear me...
