Chorus

I adore you  
And I need for you to know  
I'm sorry baby  
Let me show you  
Tonight I am gonna make it up to you

Yea

I know I said some things  
That I probably shouldn't have said  
I'll be out my head forgive me  
Didn't mean to hurt your feelings  
I was just defending my heart  
Not knowing I was wrong  
Whatever wit that

Won't you come on over  
Cause I cooked up something for you  
See I only wanna show you  
I do love you  
Plus, got a t-shirt and my panties on  
Trying to show you all night

Chorus

Yea

You were right  
Baby I was wrong  
Now let's get it on on on onnn  
Wouldn't you rather be here with me  
Then wasting your time mad at me  
Cussin' on the phone

If I could then I would  
Just take it all away  
Baby you know I can be  
So won't you give me a break  
Everything you need  
That's what I can be  
I wanna show you

Chorus

Can't you see?  
You're all I need  
And I just wanna make it right  
Just wanna make it right Just wanna make it right for  
you

Chorus
