Lately, I can't seem to get my mind off you boy
(wondering where you are, wishing 4 your call)
Thinking, All the slick ish I'm gon say when you call
to make you want IT more
(i know you want it now, but you gon want me more)
Cuz I be acting like I'm not
When I'm really feeling you
You can just relax your mind
'Cause there's so many things I wanna Do to you, Do to
you
'Cause IIII, I just wanna make sure you're sure, boy
(are u sure?)

That Youyouyouyouyou, you can handle all that I Got in
store, Got in store
Got in store, yeah yeah

R U 4 REAL?
can you handle?
R U 4 REAL?
can you handle
all this love that I got?!!

can you handle?
if you can't, let me know now
can you handle me?

I just wanna know that, when we get together, we gon
have a real good time
I just need to know that, when we get together, you gon
really take ya time
Cuz some talk about it, Really I'm about it, If you tryna
take me Down
I just wanna know that, when we get together, you can
handle all of mine

R U 4 Real?
can you handle?
Baby Tell me R U 4 Real
can you handle all this love that I got?
can you handle?
if u can't, let me know now

can you handle me?
