Talking Intro:

You know, when I really sit down and think about it all, the up's and the down's of this love thing, you see we had bad times, we sho' did have some good times, but whateva we did, we did it for love, listen...

I-I been thinkin', I mean seriously thinkin' maybe we should try again ohhh but you (you, you) you got a situation, it's not a complex situation, slip it bring it to an end (and bring your love) this is what it is boy

If you ever (eva) feel the need to call on someone you can call on me and I'll (I'll be there for you) still got love for...

Ooooo, oooh, uh-huh, ooooo, oohoooh, ooooo, oooh, ooooo still got love

Youuu-you see I know you well, she's a pretty face but she don't get as deep as I get, but you (you're intellectual) and youuu (you like it mentally and sexual) and to make it plain I know I was your verrrry best sooo....

If your ever (eva) feel the need to call on someone you can call on me and I'll (I'll be there for you) still got love for...

Still in love, still in love, still in love, still in love

Still in love with you despite all we go through I can't turn away you know, (you know that I'm still in love with you) you know that I'm still in love (you know that I can't give up) you know that I can't give up (I'm still in love with you) still in loooove

If you ever (eva) feel the need to call on someone you can call on me I'll be there for you still got love for... still in love, still in love, still in love, still in love

If your ever (eva) feel the need to call on someone you can call on me (but you and I) I'll be there for you (we're gonna work it out) still got love (because I still got love) still in love, still in love, still in love, still in love, still in love, still in love, STILL, still in love

Oh, oooooh, oh, oooooh....
