verse one:

so you're gone for the night
you say you're off in the grind
(and it's for us it's all for us but since when did she do
good for me)
and i pray thru the tears
there's no truth to my fears
(I'd have to be totally blind not to see what you do to
me)

chorus:

we had the life
that i dreamed about
but no where within my dreams
did you let me down
(somehow i thought we'd make it over)i don't know
(thought i could really make you happy (i do know)
finally i realized
its time
that i take my love away
I'll take my love away

verse two:

what my heart really wants
my mind knows is wrong we can't be
(sometimes i feel that maybe i should just give it time
we'll see just hold on)
another try
but tell me why
in the end will only end up here again
(now I'm
cuz i don't wanna go round and round and round and
round and round)
i feel it
alllll in me
my love for you is not enough to keep
me here and
i tried so long and i want this
but now i must move on

chorus x2

cuz i don't wanna go round and round and round and
round and round .

take my love away
