Good lookin' girl in the corner
She nice enough to eat
She look over and she smile a little
From her head to her feet.
Over and over and over
Trying to catch her eye,
If I don't do something, it'll come to nothing
Hate myself the rest of my life.

[1st Chorus]

You can't accuse me honey,
You know I feel just fine,
I know and you know that I know
Oh Yeah, I know you're mine all mine

Girl was looking me over
Just checking me out
Looked me in the eye, and I was like to die
Knew what I was all about
Tell me, tell me, please tell me,
Tell me what you're gonna say,
If you don't say yes, I'm gonna be depressed
Sure hope I'm doing ok.

[2nd Chorus]

You can't accuse me honey,
Talking dirty ain't no crime,
I know you know and you know that I know,
Oh Yeah, I know you're mine all mine

Said she was thinking it over,
She got a look in her eye,
Told me her name, expected the same,
And so I told her mine,
Forever and ever and ever,
I swear I can't be no liar
Gonna be your man
And you'll be glad that I am
Burn you in sexual fire

[3rd Chorus]

You can't refuse me honey,
We'll get along just fine.
I know you know and I know where you go,
Oh Yeah, I know you're mine all mine
