La la la la la la.....

Well she said I know but I just cant tell  
Everything you've just been saying  
Lucy was there as well in the dark  
And the kids in the band were playing

No-one could hear a word or tell  
What the girl was singing  
See she just must've been 16 or 18  
Or just past caring

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was bursting their noses  
She would tell me a secret  
I would lose it the next day  
Young love pleases you easy  
Makes you sick in a bad way

And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just dont miss

And she said "I can't love you anymore than this!"

La la la la la la la.....  
La la la la la la la.....

Oh she said she said no no no no  
Then again yes why don't you kill me  
I said Wait a minute stop right there  
Sweetheart you know that don't thrill me  
Said I woulda been in there if only I'd been a little bit  
nicer  
I was dead by Sunday half dead skint just trying to  
please her

She getting me pills when

I was into her best friend  
She was chasing her thrills  
And living out on the West End  
she was pretty in places  
I lived under her window  
She said take me to London  
Tell me something I don't know

And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I can't love you anymore than this!"

La la la la la.....  
La la la la la.....  
La la la la la.....

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was bursting their noses  
She would tell me a secret  
I would lose it the next day  
Young love pleases you easy  
Makes you sick in a bad way  
And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said I don't like you  
You can't stand me  
I can't love you anymore than this
