Lay your head down on my pillow
And tell me where you been
It's so easy for you sweetheart
When your Boy come stepping in

Everyone is beautiful and everything is green
All the girls and all the boys, it's obscene.
Lay down easy, try your best to please me.

Well the vicious girls and slick boys arrive, oh in fives
It's all just for a honey
With their rotten hearts and big empty shoes, all in
twos
It's all just for a honey

Well you're floating like Louisa
And you're sinking like Ramone
And you're mangled in the morning
When you treat me on your own

And everyone is watching on this hopeless little scene
All the girls and all the boys, it's obscene.
Lay down easy, try your best to please me.

Well the vicious girls and slick boys arrive, oh in fives
It's all just for a honey
With their rotten hearts and big empty shoes, all in
twos
It's all just for a honey

Well all the wicked friends and wasted police, it seems
I'm dreaming of the honey
When the ragged-bone kids, chasin' the hags, dressed
in rags.
Are waiting on the honey

Well the wicked friends and slick boys arrive, oh in
fives
It's all just for a honey
With their rotten hearts and big empty shoes, all in
twos

It's all just for a honey.
