I've seen this one before, the girl she gets away  
Everybody knows it but no one tries to stop it  
Cause she barely even knows him but if she could see  
inside  
Everything is quiet as she waits to tell him who she is

Is this all we get to be absolute

Quiet but I'm sure there is something here  
Tell me everything cause I want to hear

It's a kiss sits upon on her lips that waits for planes and  
battle ships  
She wants to be a dancer and he has got a picture  
On his wall and it's a sailor in a new port every night  
Yet man was born to trouble like sparks fly upwards  
innocent

Is this all we get to be absolute

Quiet but I'm sure there is something here  
Tell me everything cause I want to hear

All we are and all we want  
40 years come and gone  
All we are in photographs  
Will never be taken

Quiet but I'm sure there is something here  
Tell me everything cause I want you here  
Quiet but I'm sure there is something here  
Tell me everything cause I want to hear
