"Happiness"

Happiness is just outside my window
I thought it crashed, blowing 80 miles an hour
Happiness a little more like knocking
On your door, and you just let it in

Happiness feels a lot like sorrow
Let it be, you can't make it come or go
But you are gone- not for good but for now
Gone for now feels a lot like gone for good

Happiness is a firecracker sitting on my headboard
Happiness was never mine to hold
Careful child, light the fuse and get away
'Cause happiness throws a shower of sparks

Happiness damn near destroys you
Breaks your faith to pieces on the floor
So you tell yourself, that's enough for now
Happiness has a violent roar

Happiness is like the old man told me
Look for it, and you'll never find it all
But let it go, live your life and leave it
Then one day, you'll wake up and she'll be home, home
She'll be... She'll be...
She'll be home (x4)
She will be home
She will be home
She'll be home
She'll be home
She'll be...
