In the night, I hear 'em talk,
The coldest story ever told
Somewhere far along this road, he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?

How could you be so cold
As the winter wind when it breeze you
Just remember that you talkin' to me though
You need to watch the way you talkin' to me you
I mean after all the things that we've been through
I mean after all the things we got into
You know of some things that you ain't told me
You did some things but that's the old me
And now you wanna get me back and you gon' show
me
So you walk around like you don't know me
You got a new friend, well I got homies
But in the end it's still so lonely

In the night, I hear them talk,
the coldest story ever told
Somewhere far along this road
He lost his soul to a woman so heartless
How could you be so heartless?
How could you be so heartless?

How could you be so Dr. Evil
You bringin' out a side of me that I dont know
I decided we weren't gon' speak so
Why we up 3 A.M. on the phone
Why does she be so mad at me fo'
Homie I dont know, she's hot and cold
I won't stop, won't mess my groove up
'Cause I already know how this thing go

You run and tell your friends that you're leaving me
They say that they don't see what you see in me
You wait a couple months then you gonna see
You'll never find nobody better than me

In the night, I hear 'em talk,
the coldest story ever told
Somewhere far along this road
He lost his soul to a woman so heartless
How could you be so heartless?
How could you be so heartless?

Talkin', talkin', talkin', talk
Baby let's just knock it off
They don't know what we been through
They don't know about me and you

So I got something new to see
And you just gon' keep hatin' me
And we just gonna be enemies
I know you can't believe
I could just leave it wrong
And you can't make it right
So I'm gon' take off tonight
Into the night

In the night, I hear 'em talk,
the coldest story ever told
Somewhere far along this road
He lost his soul to a woman so heartless
How could you be so heartless?
How could you be so ...

In the night, I hear 'em talk,
the coldest story ever told
Somewhere far along this road
He lost his soul to a woman so heartless

How could you be so heartless?
How could you be so heartless?
