A hooded demon  
Showing me a friend  
Coming to collect  
For the sins of men  
I cower down  
Then look to the sky  
And now i can't pretend  
I make my peace  
And say good-bye

Chorus:  
He said  
Keep looking forward  
My demons are closing in  
I can't escape  
The price i'll pay  
Leave me behind  
I'll never  
Change my ways

Nothing to live for  
They have all left  
Leaving me here  
Full of regret  
I should have tried  
To spend more time  
Visitor descends  
Now i'm at the end  
And it's too late

(chorus)

Now i break down  
Broken inside  
Moving forward  
All the while

My world is ending  
No time for pretending  
Light shining down on me  
It's now the beginning

The sun will rise  
My heart will be hollow  
Where you've gone  
I can't follow

(chorus)

I'll never  
Change my ways, no  
I'll never  
Change my ways, no
