Caroline
Those crazy eyes that shine
The days blowing through my mind
Like falling leaves
It ain't no good
I tried hard as I could
But you just won't let
My poor heart be

The final war
A steel eyed dinosaur
Girl I want you more
Than I can say
Ah but Caroline
It seems like everytime
Honey all I get is further away

The state I'm in
Got goosebumps on my skin
See the water I'll jump right in
Your heart so free
I'll face the facts
It's paper on the cracks
Girl till you got you right
Back here with me

The final war
A steel eyed dinosaur
Girl I want you more
Than I can say
Ah but Caroline
It seems like everytime
Honey all I get is further away

Wooooooo

A steel eyed dinosaur
Girl I want you more
Than I can say
Ah but Caroline
It seems like everytime

Honey all I get is further away
And further
And further away
