Three days spent staring at your photograph
Read your letter, made me laugh
But there's a shadow on the path
'Till I know
If your love is real

Cause its not as if alot was said
Falling in and falling out of bed
And now the world's turned on its head
'Till I know
If your love is real

Spent a long time persuading myself
That I don't no one, nobody else
That who I was, I could conceal

I'm in a daydream now
I'm out to lunch
Should it come down to the crunch
I'm wide open for that sucker punch

'Till I know
If your love is real
'Till I know
If your love is real

Spent a long time persuading myself
That I don't no one, nobody else
That I felt all there was to feel

Know if I should live 100 years
I'd never see another face like hers
On stranger sea and brighter shore
Cause I know
That my love is real

Yeah yeah
Woah
